Rother Local Strategic Partnership Action Plan 2018 – 2019

Helping and Enabling – Vulnerable Communities

Priority	Issue and outcome	What is in place/what is missing?	Action	Lead Agency	Partnership Resources required	Update
1. Reducing the incidence of Scams	Issue: Sussex Police is concerned about the rising levels of scams in the district and the impact on vulnerable residents who fall victim to them. Outcome: Reduce the numbers of people falling victim to scams.	For discussion	Develop a joint communications plan to raise awareness of the types of scams in use. Develop a protocol for sharing information with Sussex Police where visiting officers suspect a person has been a victim or is at risk.	Sussex Police	Involvement from all partners	
2. Making Best Use of Health & Wellbeing Hubs	Issue: Two Health & Wellbeing Hubs are now in existence in Bexhill and Sidley. These provide an opportunity to bring communities together and share advice, support and assistance where needed. Outcome: Ensure the H&W Hubs succeed into the future and provide valuable community services.	For discussion	The Pelham and the Charter Centre's impact to date and 19/20 priorities continue to be shared with stakeholders, including at the LSP's annual conference on 17/7/19. The learning is used to inform other relevant project proposals such as Wellbeing Hubs in Rye and rural Rother and social prescribing activities.	Lead Agencies – CCG, The Pelham, SCDA, RVA (Rye and rural Rother Wellbeing Hubs) and Southdown (social prescribing)	Involvement from all partners	
3. Delivering Solutions for Rough Sleepers	Issue: Increasing numbers of rough sleepers in Bexhill and across the rural areas of the Rother District. Outcome: Provide sustainable solutions to reduce the numbers sleeping rough.	Significant plans in place – LSP to be updated 28 th November 2018	Receive updates from partners.
