

EAST SUSSEX FUEL POVERTY REDUCTION PROGRAMME

Activity update for Rother Local Strategic Partnership 14th June 2017

East Sussex fuel poverty reduction pathway

4. Single-point-of-contact health and housing referral service for vulnerable people living in cold homes

Provide tailored solutions which take into account individual needs and enables access to inteventions. Carry out follow-up to find out whether needs have been met and that individuals are no longer vulnerable to the health problems associated with a cold home.

4. Provide vulnerable people with information and advice in order to maximise income

- •Money advice services: CABs & Welfare Benefits Helpline
- •Emergency cold home fuel payments
- •Energy Switching Big Energy Saving Network & collective switching

5. Provide access to housing insulation and heating, more affordable fuel options and how to avoid the health risks of cold homes

•Winter Home Check

Service offers the most vulnerable people in East Sussex a full assessment of their home and how best to keep it warm; small preventative works, such as improving insulation or repairing boilers; installation of replacement boilers, central heating systems or home insulation, emergency temporary heating, and; advice on getting help with the cost of heating the home.

6. Other national and local measures

- •National Cold Weather Payment, the Warm Home Discount, Winter Fuel payment, Energy Saving Trust etc.
- Local Your Energy Sussex, Green Deal and renewables, supported by District and Borough Council projects.
